

Trinity Community Arts Garden Party: Traders' Application Form

Event date: Sunday 12th May 2019

Trinity Community Arts are inviting the local community to join in our annual outdoor *Free Garden Party* taking place between 12pm – 9pm on Sunday 12th May 2019 at The Trinity Centre. We'll be putting on family entertainment, workshops, activities, stalls and live music performances from our outdoor and indoor stages.

Trinity will be providing opportunities for local individuals and organisations to promote, share, exhibit and sell their work, craft or produce to the public.

This year we are focusing on making the event 'greener' so are particularly interested in stalls that focus on items that have been sourced ethically or locally made.

The Garden Party was a true success last year and we're hoping you can help us make this year's party even better! Don't forget it's FREE ENTRY to the public and we can see up to 3,000 people attend across the day.

Please note that we are supplying tables for all Information/Arts & Craft stalls so you don't need to bring your own. (Information stalls will have a 4ft round table and Produce, Arts & Crafts stalls will have a 6ft trestle table). All stalls will be outside however, in the case of wet weather, we provide space indoors for Information and Arts & Crafts stalls. If you would like to bring a gazebo or need more space than the 6 ft table provided this is fine but we ask you to pay for a larger craft stall space.

Food stalls will need to provide their own Gazebos & tables. We have external power available – please let us know your requirements at the point of booking.
